RE: Penny Thompson Human Resources Specialist

Environmental Protection Agency 109 TW Alexandria Drive Mail code: MC63902 RTP, NC 27711

Penny Thompson had asked for me to submit my retirement paperwork in December 2016. My effective retirement date was March 31, 2017:

- I was contacted on March 31, 2017 by Penny Thompson asking, if I had retired. Ms. Thompson thought that I had changed my mind about retirement. I had not indicated to Ms. Thompson at all, that I had changed my mind about retirement. I provided her my paperwork in December 2016 to indeed retire.
- 2. She sent sometime in April my original paperwork that was supposed to be sent to the Office of Personnel Management.
- 3. Ms. Thompson had called me on Friday, May 12, 2017 asking me to send back the original retirement paperwork that was supposed to go to the Office of Personnel Management. I want the Office of Congressman Anthony G. Brown to follow up with Ms. Thompson to ensure, that my paperwork is being processed in a timely fashion.

Hi Penny,

Per our conversation this morning, I mailed the original paperwork to you that was mailed to me in error. You wanted the paper work 3 months prior to my retirement date. My paperwork was given to you in December, 2016. I thought that was enough time to be processed for a retirement date of 3/31/17. And to receive a retirement payment in May or June, 2017. Hopefully in the future you will have a system in place for these types of mishaps.

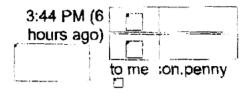

Take care,

Your paperwork is gone. I don't think it is really important.

Hello,

No, I did not receive it today. I have checked with our employees that pick up the mail. I am sure it will be here Monday and I will send it back out on Monday. The payroll office has assured me they will quickly process it. I will let you know when I receive it.

Penny
